## AGENDA ITEM SUMMARY

---

**Subject: Request to raise chickens at 101 Oliver Street**

---

**Background Summary:**

A written request has been received from Nyssa Salinas, an eight year old, residing at 101 Oliver Street. I am attaching the request.

As per our current ordinance, a person can raise livestock within city limits with special permission from the council. And as you are aware, we have recently given a person permission living on the extreme east side of town and another a few years ago living on 11<sup>th</sup> Street near the hospital.

The property owner will be here with her daughter to answer any questions you may have.

Dear City Council,

My name is Nyssa Salinas and I am 8 years old. My mom had me write you a letter because I would like a permit to have a couple chickens. I want to have chickens because I want fresh eggs for breakfast and a pet. It will give me responsibilities.

Thank you

Nyssa Salinas

## AGENDA ITEM SUMMARY

---

**Subject: Review Façade applications from Staci Ackerson and Cedar River Pizza**

---

**Background Summary:**

The Façade committee has received two applications for funding through the city's Façade program and they are attached.

As part of the recently approved guidelines for this program, these applications will be reviewed by the Façade committee who will submit their recommendation to the city council for final approval.
